

TOPS FOR TOTS

Children's Center, Inc.

Press Release

On Monday, February 14, 2005 at Tops for Tots Children's Center Inc., 232 B North Main St. Spring Valley, all children attending the center will participate in a new program, "Love for Reading".

The program promotes readings to children ages 1 year to 13 years. A parent/caregiver with their children ages 1 & 2 will select a book each day to read and keep for the children. Each day the children ages 3 to 12 will select a new book and proceed to read a different book everyday. At the end of the week, children will have read five books. This is the beginning of their own personal library.
